

ANALYTICAL FIREPOWER™

Workshop For Airport Planners

Early Registration Form

Workshop: The workshop is at the DIA Holiday Inn & Suites – a new property offering us a \$109 rate. We start at 1PM sharp on 21 March. That gives attendees plenty of time to get to Denver International from just about any place in the nation on that day. It will wrap on the 21st at approximately 6PM, and will pick up on the 22nd at 7:30AM and conclude at approximately 1PM. This gives attendees the ability to get home to most destinations that day. The hotel shuttle is less than a 12 minute ride to the DIA terminal.

Attendees must bring their own wireless-capable laptop.
